Sandringham House, nestled in the heart of the Norfolk countryside, has been the beloved private retreat of the British Royal Family for over a century. It is here, away from the prying eyes of the public, that the royals have relaxed, entertained, and raised their families.

In this captivating book, historian Sarah Bradford takes us on a journey through the domestic life of the Royal Family in Norfolk, from the reign of Queen Victoria to the present day. We learn about the family's daily routines, their favorite pastimes, and their relationships with each other.

Bradford draws on a wealth of primary sources, including letters, diaries, and photographs, to paint a vivid picture of royal life at Sandringham. We see Queen Victoria hosting lavish parties for her family and friends, King

Edward VII enjoying his passion for hunting, and King George V spending time with his beloved corgis.

We also learn about the challenges that the royals have faced, from the death of Prince Albert to the abdication crisis of King Edward VIII. Bradford shows how the family has weathered these storms through their strong sense of duty and their unwavering love for each other.

The Domestic Life of the Royal Family in Norfolk is a fascinating and revealing look into the private world of one of the most famous families in the world. It is a must-read for anyone interested in British history, the Royal Family, or simply the human story behind the palace walls.

About the Author

Sarah Bradford is a renowned historian and biographer. She has written extensively about the British Royal Family, including biographies of Queen Victoria, King Edward VII, and King George VI. Her work is known for its meticulous research and its engaging narrative style.
