## Review

*Chasing the Moon* is a beautifully written and emotionally resonant novel that will stay with you long after you finish reading it. Penny Chamberlain has created a cast of unforgettable characters and a story that is both heartbreaking and heartwarming.

Emily's journey of self-discovery is both relatable and inspiring. She is a flawed and complex character, but her resilience and determination are undeniable. Jack is a kind and supportive presence in Emily's life, and their friendship is one of the most touching and believable relationships I've ever read in a book.

The novel's exploration of grief and loss is both honest and compassionate. Chamberlain doesn't shy away from the pain and heartache that Emily experiences, but she also shows us how love and hope can help us to heal.

*Chasing the Moon* is a must-read for anyone who has ever experienced loss or who is simply looking for a beautifully written and emotionally satisfying story.
