In the book *City and Its Team*, author David Goldblatt explores the relationship between football and cities. He argues that football is not just a game; it is a cultural phenomenon that can have a profound impact on the identity of a city.

Goldblatt examines the history of football in cities around the world, from its humble beginnings in the working-class districts of England to its current status as a global phenomenon. He shows how football has been used to

promote civic pride, boost local economies, and even to bring about social change.

City and Its Team is a fascinating and informative read for anyone who loves football or is interested in the history of cities. Goldblatt's writing is clear and engaging, and he provides a wealth of detail and insights that will appeal to both casual and hardcore fans alike.
