Social Media Safety

Social media is a great way for kids to stay connected with friends and family, but it can also be a breeding ground for cyberbullying and other

online dangers. This book will teach you how to keep your child safe on social media, including how to:

- Set up privacy settings
- Monitor your child's activity
- Talk to your child about online safety

Cyberbullying

Cyberbullying is a serious problem that can have devastating effects on children. This book will help you understand the signs of cyberbullying and how to stop it, including how to:

- Recognize the signs of cyberbullying
- Talk to your child about cyberbullying
- Report cyberbullying to the authorities

Online Predators

Online predators are adults who use the internet to target children for sexual abuse. This book will help you protect your child from online predators, including how to:

- Recognize the signs of an online predator
- Talk to your child about online predators
- Report online predators to the authorities

Other Online Dangers

In addition to social media safety, cyberbullying, and online predators, this book also covers other online dangers, such as:

- Malware
- Phishing
- Identity theft

Real-Life Stories

This book includes real-life stories from parents and teens who have been affected by cyberbullying, online predators, and other online dangers. These stories will help you understand the potential risks and how to protect your child.
