Benefits of Reading to Your Child

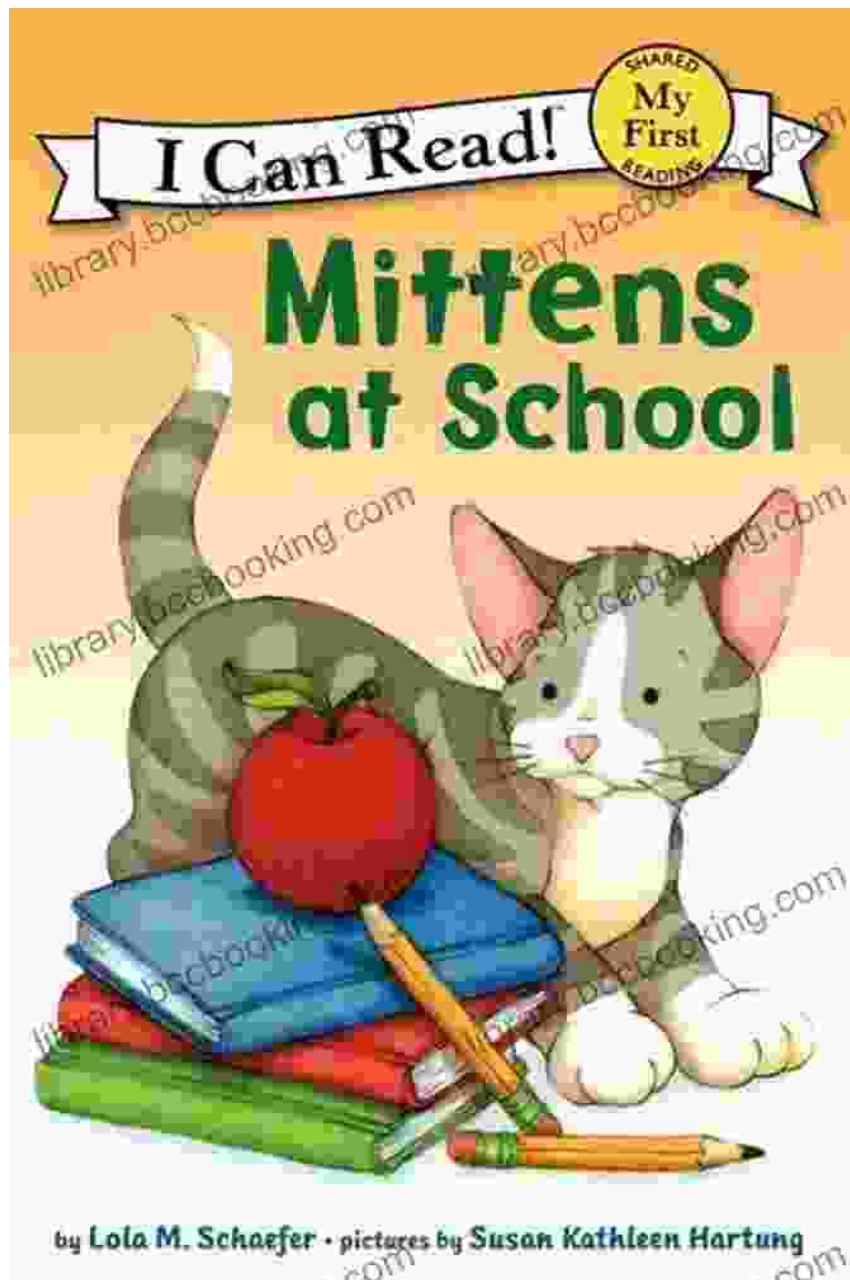

Reading to your child is one of the best things you can do to help them develop their language and literacy skills. When you read to your child, you are exposing them to new words, concepts, and ideas.

Reading to your child also helps them to develop their imagination and creativity. They can use their imagination to create a picture of the story in their mind, and they can even come up with their own ending.

Finally, reading to your child helps to create a special bond between you and your child. It is a time to cuddle up together and share a special experience.
