

Sending Your Millennial To College: The Ultimate Guide for Parents

Sending your child to college is a major milestone in any parent's life. But for parents of millennials, the college landscape has changed dramatically in recent years. Millennials are more likely to attend college than any previous generation, and they are also more likely to graduate with debt. This can make the college planning process more stressful and overwhelming for parents.

That's where *Sending Your Millennial To College* comes in. This comprehensive guidebook covers everything parents need to know about sending their child to college, from choosing the right school to paying for it to supporting their child through the challenges of college life.

What's inside *Sending Your Millennial To College*?

Sending Your Millennial To College is divided into four parts:

1. **Part 1: Choosing the Right College** This section helps parents understand the different types of colleges and universities, and how to find the right one for their child. It also covers the college admissions process, from choosing a major to writing a personal statement.
2. **Part 2: Paying for College** This section provides a comprehensive overview of the different ways to pay for college, including scholarships, grants, student loans, and work-study programs. It also discusses the pros and cons of each option, and how to create a financial plan that meets your family's needs.
3. **Part 3: Supporting Your Child Through College** This section offers advice on how to support your child through the challenges of college life, from academic stress to homesickness to financial difficulties. It also covers how to stay involved in your child's education, and how to help them make the most of their college experience.
4. **Part 4: The College Transition** This section provides a roadmap for the transition to college, from packing for dorm life to dealing with homesickness to adjusting to the academic rigors of college. It also offers advice on how to help your child succeed in college, both academically and socially.
