When Step Met Skip is a heartwarming and inspiring story about two elderly people who find love and companionship in their later years. Despite their different backgrounds and life experiences, Step and Skip form an unbreakable bond that helps them face the challenges of aging and loss with grace and dignity.

Step is a retired schoolteacher who has always been independent and self-sufficient. Skip is a former truck driver who is now living with Alzheimer's disease. Despite their different circumstances, Step and Skip find themselves drawn to each other. They share a love of music, dancing, and spending time outdoors. Most importantly, they share a deep understanding of the challenges and joys of aging.

As Step and Skip's relationship deepens, they learn to appreciate the simple things in life. They find joy in each other's company, and they help each other to find meaning in their lives. When Step Met Skip is a touching and inspiring story about the power of love, friendship, and the importance of finding meaning in life, even in the face of adversity.

## **About the Author**

Vicky Weber is a retired nurse and the author of several books, including When Step Met Skip. She has a passion for writing stories that explore the human condition, and she is particularly interested in the challenges and joys of aging. Vicky lives in Minnesota with her husband and their two dogs.

## **Reviews**

"When Step Met Skip is a beautifully written and deeply moving story about the power of love and the importance of finding meaning in life. Vicky Weber has created two unforgettable characters in Step and Skip, and their

journey together will stay with you long after you finish reading the book." -  
Our Book Library reviewer

"This is a heartwarming and inspiring story about two elderly people who find love and companionship in their later years. Step and Skip are both such well-developed characters, and their relationship is so touching and believable. I highly recommend this book to anyone who is interested in stories about love, loss, and the power of memory." - Goodreads reviewer
